Q4 2025 Financial Report

Executive Summary

The fourth quarter of 2025 concluded with strong financial results, surpassing our initial projections. Total revenue reached **$2.5 million**, representing a **15% year-over-year increase**. This growth was primarily driven by the successful launch of our enterprise service tier and a robust performance in the North American market.

Revenue Performance

The revenue trend remained steady throughout the quarter, with a slight peak in November due to seasonal renewals.
